- Your goals as a coach in this program:

- Your thoughts on motivating your soccer players:

APPLICATION FOR NYSC COACHING POSITION 2010/11 Season

- Nanaimo Youth Soccer has implemented and move forward with Long Term Player Development as per the BC Soccer and Canadian Soccer Associations directive for the future of players. Please explain how you will use this during your coaching through the season. By applying for a coaching position within the club, you are also acknowledging that you will be an active proponent of this direction and do what you can as a coach and a representative of NYSC to ensure this is implemented and executed.

Your signature below confirms you are applying for the position of head coach, and are willing to follow the rules and regulations set out by the clubs and associations noted above.

Signature

Date

This also is acknowledgement that your application is completed to the best of your knowledge and that you understand the all players placed within your responsibility, are the property of the Nanaimo Youth Soccer Club and the board will direct the placement, oversee the players development and are the responsibility of the NYSC.

The NYSC in advisement of the Technical Department has all final say on the players in the club. Coaches do not "own" teams but are placed to coach the players selected to the best of their ability within the rules of the clubs, BCSA and FIFA rules. Any coach found in violation of rules, regulations or policies of any of the governing bodies may be removed from their coaching position by the NYSC board and a replacement coach be appointed for the remainder of the season.

All applications are confidential and will comply with all privacy policies. Applications will only be used for the purposes they are set out for.

Mentor coaches that are applying for the development coaching; please note that you are applying to coach within a group environment. Players are not selected to particular teams within the development group at this time and therefore you will be responsible to aid in the development of multiple players in multiple groups.
